I would wish to invite all those who indicated they would like to form a Parish Team to come at 4:15 pm on Sunday 14th July. It will allow us to 'firm up' the team and arrange for us to co-ordinate the different areas of responsibility. In other words we can start to get our good ideas into a working model. So, please, if you were unable to make the previous meeting, or feel that you would now like to become involved, do join us to form a group that can support parishioners and each other in the variety of contributions to parish life. I know that a number of parishioners have taken forms and might want to decide on an area of interest in which to get involved. Just give the forms back to me and I will arrange for you to be contacted by a team member. We need to think ahead, and not going forward with great ideas and teamwork are not options. Once again, thanks to you all.
